The Honorable Mike Machado, Chair
Assembly Committee on Water, Parks and Wildlife
State Capitol, Room 5136
Sacramento, CA 95814

Dear Chairman Machado:

This is in response to your recent requests for a public hearing in Stockton on the CALFED Bay-Delta Program's draft *Programmatic Environmental Impact Statement/Environmental Impact Report* (PEIS/EIR).

As you are aware, we have established a 75-day comment period for this document and scheduled twelve hearings throughout the state, beginning April 21, 1998. We believe it is appropriate to wait until that time to begin public hearings, so that the public can use the intervening time to review and understand the PEIS/EIR.

I am pleased to inform you that we have been able to schedule additional public hearings, including a hearing in Stockton on May 27, 1998, at the University of California Cooperative Extension.

Additionally, as the enclosed map indicates, public hearings are scheduled throughout the state, and the CALFED Program is accepting written public comment throughout the comment period, which ends June 1, 1998. Written comments can be directed to:
